BUSTAN EL ZEITOUN

Also known as “Olive Grove” in English, Bustan El Zeitoun offers premium extra virgin olive oil produced from top Italian cultivars.

Located in Aabra, Lebanon, our olive grove expands over 30 hectares of olive trees from which the finest extra virgin olive oil is produced.

OUR STORY

In 2011, Walid Mushantaf embarked on a mission to protect a land parcel in Aabra, Sidon, from urban sprawl by planting over 30 hectares of olive trees. This initiative not only preserved the land and its ancestral heritage, but also bore the finest quality olive oil worthy of Eshmun, the Phoenician god of healing and guardian god of Sidon.

Bustan El Zeitoun is renowned for prioritizing quality, embodying a healing philosophy, and upholding Lebanese traditions while fostering community empowerment. Merging Italian olive varieties with Lebanese terroir, Bustan El Zeitoun has produced a distinctive EVOO, celebrated globally with numerous awards.
